TO CROP-HAIL MEMBERS:

2009 INDUSTRY RANKING REPORT

Attached is the Crop-Hail Industry Ranking report for 2009. This report is based on verified premium amounts reported by all Crop-Hail companies.

Please note the report grouping for NCIS members is based on NCIS' Reporting Organization codes. Some members may use more than one entity to report data to NCIS, and therefore will have more than one Reporting Organization code. Unless the member requested to have data for their Reporting Organization(s) grouped differently, all Reporting Organizations will have their data reported separately under their respective Reporting Organization codes, and each entity would be ranked accordingly.

Please call Troy Brady at (913) 685-2767 if you have any questions about this report.
