

Ag Brokerage Solutions' Irrigation Pivot Program can provide coverage on a stand-alone basis for any size of operation. All irrigation risks are written through an AM Best A+ (Superior) financial strength-rated carrier, and agents are supported through our experienced farm insurance team.

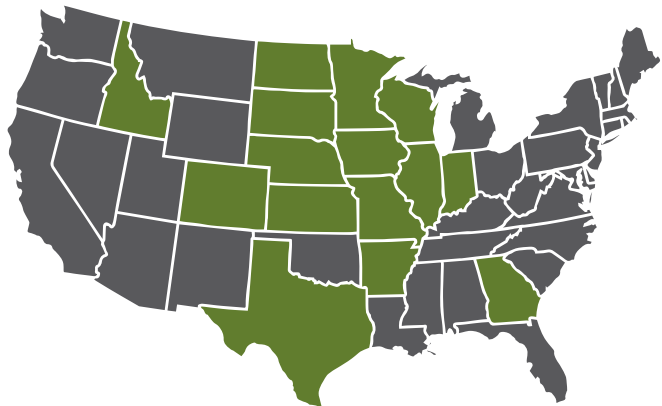

This new program has limited capacity – **contact us today for access!**

Coverage Includes

- “All Risks” perils, including flood, collapse, collision, theft and earthquake
- No age restrictions for replacement cost of irrigation equipment
- Debris Removal Costs
- Pollutant Cleanup/Removal Costs
- Fire Protection System Cost
- Extra Expense
- Spare Parts

Available in the following states

- AR, CO, GA, IA, ID, IL, IN, KS, MN, MO, ND, NE, SD, TX, and WI

Policy Details

- Single occurrence deductible over entire schedule
- Premium financing options available
