

Complete Farm Insurance Solutions™

ABSTM
AG BROKERAGE SOLUTIONS

ABOUT **ABS**

Ag Brokerage Solutions (ABS) is a wholesale brokerage and managing general agency that provides access to a wide variety of coverage options. We offer a comprehensive outlet for all things agriculture and beyond to help our agent partners grow their businesses and our customers continue their legacies.

With ABS, agents can provide Complete Farm Insurance Solutions™ backed by strong relationships and outstanding service.

OUR **MISSION**

To provide peace of mind to America's farmers by protecting their livelihoods and legacies through complete farm insurance solutions, enabling them to clothe, feed, and fuel the world.

OUR **VISION**

To be a leading provider of financial security for America's farmers through innovative insurance solutions.

OUR **CORE VALUES**

Integrity • Service • Accountability • Teamwork • Excellence

AN FMH COMPANY

ABS evolved as FMH recognized a need to provide additional products to its customers, agent partners, and reinsurance clients, increasing our mutual value. FMH has served America's farmers since 1893 with a combination of financial strength, world-class service, and Midwestern values. As a proud U.S.-based company, headquartered in America's heartland, FMH has the stability, strength, and depth of experience to protect the livelihoods and insure the legacies of its customers.

WE GIVE BACK.

At ABS, our social mission is an integral part of our identity. We've partnered with Meals From the Heartland in West Des Moines, IA, to support those facing hunger in our local communities and around the world.

RELATIONSHIPS MATTER.

Independent agents choose us to find solutions for their policyholders because of our experienced, knowledgeable staff; our favorable turn-around times; our friendly service; and our effective, timely communication. We go above and beyond to build meaningful relationships that deliver mutually successful results.

WE'RE AGRICULTURE FOCUSED.

With our extensive experience in the ag market, we're uniquely positioned to understand your customers and their needs. This allows us to connect you with the appropriate carrier markets and coverage options.

Our purpose is clear: to create a best-in-class experience that supports the agriculture industry with insurance solutions to help you grow and win. We understand the foundation for this starts with the team you interact with and develop a relationship with. Lucky for us, we have the best of the best, ready to assist.

- Brent Walker, Executive Vice President & Chief Brokerage Officer

FARM & RANCH

Farms and ranches present unique exposures that aren't always protected by a personal lines policy. ABS partners with a variety of top carriers to provide tailored Farm & Ranch protection for the wide variety of risks each family farm faces – from the heritage farm to the new machinery that is crucial to its success.

- Row Crop
- Grain Farms
- Ranches
- Farm Equipment
- Hobby Farms
- Livestock Farms

Auto Insurance

We build policies with rural drivers in mind. Each policy can be tailored to fit the needs of any individual, family, or farm for the most comprehensive financial protection available.

- Personal Auto
- Farm Trucks
- Miscellaneous Vehicles (ATVs, motorcycles, golf carts, etc.)

Liability Insurance

Farmers often need comprehensive liability packages that can cover everything from property damage to bodily injury and medical payments – and so much more. Let our team of experts tailor liability policies for the specific needs of any farming operation.

- Farm Liability
- Personal & Premises Liability

Farm Property Insurance

Every farm is different, and we can help insure everything from new grain bins to a century barn. Because farm property is part of both the farmer's life *and* their livelihood, we ensure each policy meets the specific needs of the property – not just general coverage.

- Dwelling & Personal Property
- Specialty Property
- Farm Personal Property
- Farm Building Property
- Confinements
- Dairies

EXCESS CASUALTY

ABS provides monoline Excess Casualty coverage for individuals, farms, ranches, and businesses, including over **100 farm-specific coverages exclusive only to ABS** agency partners!

Agriculture Insurance Businesses - Available Exclusively Through ABS

- Dairies
 - Poultry/Egg Production
 - Field Crop/Grain Farm
 - Livestock/Hogs (Limit \$2m)
 - Livestock Auctions
 - Citrus Farms

 - Campgrounds
 - Dairy Products – Retail Operations And Distributors
 - Frozen Food Distributors
 - Seed Merchants
 - Beverage Bottler/Distributor
 - Cotton Gins

Coverage Examples

ANIMAL MORTALITY/LIVESTOCK

Animals are a valuable part of your operation. Let us help you protect your assets and investment. An Animal Mortality policy provides you with coverage for all risks of full mortality to working dogs, alpacas, sheep, cattle, and bucking bulls, among others. We can also insure exotic animals.

- Alpacas & Llamas
- Bison
- Breeding Sheep, Goats, and Swine
- Bucking Bulls
- Confinement, Feedlot, and Pasture
- Exotics
- Frozen Semen or Embryos in Storage or Transit
- Horses
- Show Animals (Cattle, Pigs, Goats, etc.)
- Working Dogs
- And More

EQUINE

Horse farms need specialized insurance coverage to meet their unique risks. Whether you run a boarding or training operation, teach lessons at clients' farms, or keep horses at your home, ABS can customize a policy to fit your operation. We can offer insurance specifically designed to protect your barns and arenas, home, and even liability options for your equine business or personal horses.

- Boarding and Breeding Facilities
- Clinics
- Commercial Equine Operations
- Farriers
- Horse Mortality
- Horse Clubs and Associations
- Horse Shows
- Independent Riding Instructors, Trainers, Clinicians
- Private Horse Owners
- Racehorse Training Facilities
- Training Operations
- Exotics

PET

As we know, pets are part of our families, and their care is a priority. At ABS, we believe you shouldn't have to make difficult decisions regarding your pet's medical care because of financial considerations. Ease your mind with our pet insurance solutions, which may help reimburse for certain veterinary costs, like those associated with wellness visits, vaccinations, accidents, and illness.

- **Base Policy Options:**
 - Accident and Illness Coverage
 - Accident Coverage Only
- **Additional Options:**
 - Wellness
 - Exam & Office Visits
 - Inherited & Congenital
 - Memorial

AGRIBUSINESS

Running an agricultural operation has always carried inherent risks. From big livestock operations to small agritainment opportunities, ABS will help secure the right coverage to meet any agribusiness need.

Agribusiness

- Dairy
- Grower-Packer-Shippers
- Hog Confinements
- Large Row Crop and Grain Handling

COMMERCIAL

When it comes to protecting your non-ag business, commercial coverage options through ABS give you the range and choices to customize to your specific needs. From small to large businesses, and niche to common industries, we'll do all we can to make sure your business is protected, so you can move forward after unexpected events.

- Agency E&O (along with Property & General Liability coverages)
- Crop Consultants
- Motor Truck Cargo
- Accounting & Bookkeeping Services
- Construction & Special Trade
- Fried Chicken or Burger & Fries Franchises
- Physician's Offices
- Beauty Supply Stores
- Manufacturing
 - Fabricated Metals
 - Food & Beverage
 - Industrial Equipment
 - Plastics/Rubber
- Condos
- Homeowners Associations
- Self-Storage Risks
- Landscaping & Maintenance Companies
- Storage Units
- Warehousing

WORKERS' COMPENSATION

Workers' compensation helps farmers manage work-related injuries for employees so they can recover and come back to work more quickly. These policies can help cover medical care and lost income for employees, as well as provide liability for covered claims.

- Workers' Compensation
- Cotton Gin
- Grain Elevators
- Grain Mills
- Landscape & Gardening
- Poultry & Egg Farms
- Row Crops
- Tree Pruning
- Trucking
- Large Equine Operations
- Livestock
- Livestock Hauling

TRANSPORTATION

From livestock motor truck cargo to long-haul trucking, transportation plays a vital role in the agriculture industry. It also faces unique risk exposures that need comprehensive coverage. Transportation coverage helps farmers manage and mitigate specific risk factors, which means improved safety and more peace of mind for everyone.

- Varying size fleets (min 3 power units)
- Distance radius 300 miles or less
- Motor Truck Cargo (including livestock)
- GL and Work to supplement

PERSONAL LINES

ABS offers personal coverages to protect from unforeseen losses on valuables - from collectibles and classic cars to motorcycles and watercraft, and more. High Value Personal Lines are designed to protect the assets of high-net worth individuals, with coverage catered to their distinct needs.

- Motorcycle
- Watercraft
- Affluent & High Net Worth
- Manufactured Homes
- Secondary Homes
- Rental Properties
- Inland Marine
- Collectibles
- Classic Car
- Event Policies
- Weddings
- And More

SPECIALTY & EVENTS

When it comes to hosting your special event or recreational club, we offer a variety of coverage options to protect your time investment - from food trucks to farmers markets and paintball operations to personal training. Our specialty coverages also provide options for commercial services like alarm installation, pest control, or tree trimming.

Sports & Recreation

- Archery Club & Ranges
- Climbing Wall
- Hunting or Fishing Club
- Hunting & Fishing Guides
- Hunting Preserve
- Shooting Range

Special Events

- Agritainment Event (Pumpkin Patch, Corn Maze, Hayride, etc.)
