

Farm and Ranch Liability Program

GENERAL ELIGIBILITY GUIDELINES - FARM AND RANCH LIABILITY COVERAGE

The **FARM AND RANCH LIABILITY PROGRAM** is intended to provide coverage for the principle farm premises and all additional farm premises listed that are being maintained by the insured.

Rating is based on the **TOTAL ACRES** of all locations.

The TOTAL ACRES will also include the following:

- (a) Non-Farm Residence Premises shown on the declarations
- (b) Farm Land with or without buildings rented to others and shown on the declarations
- (c) Farm Land leased/rented from others for the insured's own farming purposes and shown on the declarations.

Classifications - All Farm Premises

- Not more than 40 acres
- 41 to 200 acres
- 201 to 500 acres
- 501 to 1,000 acres
- 1,001 to 5,000 acres
- 5,001 to 10,000 acres
- 10,001 to 15,000 acres
- 15,000 acres or more

*****A 50% reduction in the base rate liability premium applies when all locations are rented to others.**

**NOTE: When no livestock exposure is indicated, the risk will qualify for a reduce rate.
Form FMH-7040 – Livestock Liability Coverage Excluded applies.**

An **ADDITIONAL FARM RESIDENCE PREMISES** shall be rated as follows:

- 1. When there are additional dwellings **used by the insured, rate for each additional dwelling.**
- 2. When there is a dwelling that is **rented to others, rate for each additional rental dwelling.**

Farm Premises and Operations Coverage - Form FMH-7001

This coverage applies on all farm risks including a Farm Corporation, Partnership, Trust or Limited Liability Company. Coverage is limited to the locations listed on the policy declaration.

Personal Liability Coverage - Form FMH-7012

Additional or return premiums of less than \$7.00 that result from a mid-term policy change may be waived. However, a return premium of less than \$7.00 must be paid if requested by the insured.

PREMIUM DETERMINATION - FARM AND RANCH LIABILITY COVERAGE

Rating Basis

The rating basis shown for each classification is used to calculate the premium for the various Farm and Ranch Liability exposures.

When the rating basis is "receipts", the rate for the applicable classification applies per \$1,000 in gross annual receipts of the insured for the covered exposure.

Farm and Ranch Liability Program

Required Coverage

Coverage is required for the following exposures if they exist:

1. All domestic employees of the named insured not covered or required to be covered by Workers' Compensation Insurance. A charge is required for domestic employees in excess of two (2).
2. All farm premises of the named insured.

Calculation of Premium

The premium is calculated based of the rates that have been filed with the applicable state. Please refer to quoting software.

Minimum Premium

The total annual premium based on the sum of the final calculation shown for each classification is subject to a \$100 Minimum Premium in this Farm and Ranch Liability program.

The exception to this Minimum Premium applies when both Property & Liability coverage are written as a package with an identical policy number. In this case, the \$100 Minimum Premium applies to the total policy premium of both policies combined.
