

## Combine and Cotton Picker Endorsement

When listed on the declarations and a premium charge is shown. "We" cover the following property while it is on or away from the "insured premises".

### **SCHEDULED FARM PERSONAL PROPERTY**

#### **Coverage F and G Perils for Farm Machinery, Implements, Tools, Vehicles and Equipment**

##### **Under Perils Excluded**

The following exclusion is removed;

- f. **Foreign Objects** -- "We" do not pay for loss to cotton pickers or harvester-thresher combines (rotary or conventional) caused by or resulting from the ingestion, picking up, or sucking in of any foreign object.

"We" do pay for loss to all other Farm Machinery, Implements, Tools, Vehicles and Equipment caused by foreign objects

And replaced by the following;

- f. **Foreign Objects** -- "We" pay for the loss to farm machinery and implements caused by the ingestion, picking up or intake of any foreign object.

#### **ADDITIONAL POLICY CONDITIONS APPLICABLE TO ALL COTTON PICKER AND HARVESTOR-THRASHING COMBINE LOSSES**

All harvest losses must be reported to "us" as soon as possible and no later than December 31<sup>st</sup> of each growing season for all harvest losses occurring that growing season. All losses must be reported to "us" as soon as possible and before repairs are made.

#### **Combine Rental Coverage**

"We" cover the expense necessary for "you" to rent or lease a combine or cotton picker when "your" insured combine or picker is damaged and rendered inoperable because of an insured loss. The unit that is rented or leased must be used as a temporary replacement for the unit(s) insured by this policy. "We" only pay for the period of time reasonably required to repair or replace "your" damaged combine or picker. Our "limit" to "you" for this coverage is \$2,500 per each growing season.

All other terms, definitions and conditions of the policy remain the same.
