FARM SEMI TRACTOR/TRAILER LIABILITY ENDORSEMENT

In consideration of the reduced Bodily Injury and Property Damage Liability or Combined Single Limit Liability premium shown on the declarations for each Semi Trailer, it is agreed and understood by this endorsement that all coverage under Part A – Liability Coverage while the Semi Trailer is attached, becoming attached to or becoming detached from any Semi Tractor will derive from the Semi Tractor Part A – Liability Coverage as though they are a single unit at the time of such loss. The limits for Part A – Liability Coverage reflected on the declarations for each Semi Trailer unit will apply only when such unit is detached from a Semi Tractor.
