

THEFT OF BUILDING MATERIALS DWELLINGS, BUILDINGS, AND STRUCTURES

(If this coverage applies, required information will be shown on the "declarations".)

This endorsement applies to buildings covered under Coverage A and indicated on the "declarations" as having this coverage apply.

Under the Perils Section of the Dwelling Coverage, the theft exclusion of materials and supplies used in construction of a building does not apply to the structure or building described above.

"We" do not pay for loss:

1. of materials insured by any contractor, builder, lumberyard, or supplier;
2. committed by an "insured", employee, tenant, contractor or employee of contractor, or by any other person to whom the property is entrusted;
3. disclosed on taking inventory;
4. by conversion or embezzlement;
5. by mysterious disappearance;
6. by larceny or swindling, fraud, trick, or false pretenses.

All other "terms" of the policy apply.
