Applicant/Named Insured

Notice Regarding Uninsured/Underinsured Motorists Coverage

The Iowa Insurance Division requires that we advise you that Uninsured/Underinsured coverage does not cover damage done to your vehicle. It provides benefits only for bodily injury caused by an uninsured or underinsured motorist. If you wish to be insured for damage done to your vehicle, you must purchase collision coverage. Please review your application/policy with your agency representative to make certain you have the coverage desired.

Uninsured and Underinsured Motorists Coverage Stacking Coverage Option Notice

Farmers Mutual Hail Insurance Company of Iowa does not offer the Uninsured or Underinsured Motorists Stacking option. Consult with your agency representative regarding an explanation of these coverages and their availability through another insurance carrier.

Notice – Payment for Aftermarket Crash Parts

Any applicable physical damage coverage under this policy includes payment for aftermarket crash parts. If you repair the vehicle using more expensive original equipment manufacturer (OEM) parts, you may pay the difference. Any warranties applicable to these replacement parts are provided by the manufacturer or distributor of these parts rather than the manufacturer of your vehicle or the repair facility.

Coverage is generally described here. Only the actual policy contract language provides a complete description of the coverages and their limitations.

I understand that by signing this notice I acknowledge that I have been properly notified and this acceptance will apply to all future renewals, continuations and changes in my policy unless I notify you otherwise in writing.
